

Newkirk's

INTERNET ARTICLES LIBRARY

Fact Sheet

Description

Newkirk's *Internet Articles Library* is your answer to creating client communications with ease. By simply logging on to the Internet, you'll have access to a vast library of articles on a variety of financial topics. That means no more research hours spent keeping information fresh and informative on your website, in your client newsletters, or in simple correspondence. Newkirk has done the work for you!

Delivered through Newkirk's *ePubs*, you can view and download the articles in your choice of HTML or RTF. Edit them as you see fit and use them wherever needed. This subscription will help you quickly and accurately position yourself as the expert in your field.

Benefits Include:

- An online "library" at your fingertips.
- Articles categorized by topic.
- Unlimited editing and modification rights.
- Monthly e-mail announcing new articles.
- Ability to search by article topic.

Topics Include:

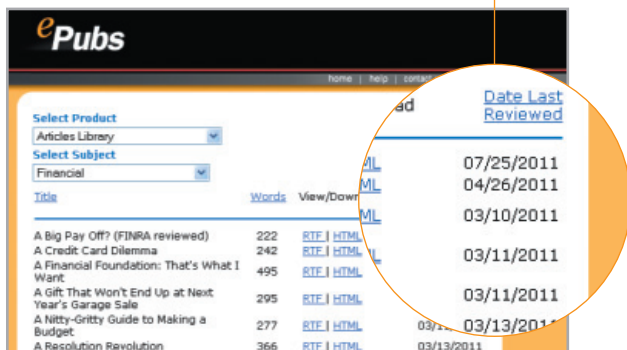

- Estate Planning
- Financial Planning
- General Planning
- Gift Tax
- Income Tax
- Investing
- Retirement
- Trusts

Trust the Content.

All articles are written by Newkirk's editorial staff of CFPs, CPAs, tax attorneys, and financial professionals with 35+ years of experience. The research, writing, and reviews are all done by these financial professionals, so you can count on a "library" that is reliable, authoritative, and vast.

Enter the following on the Login Screen:

Login ID

Password

Once you have entered the ePubs site:

1. Click on **download publications** from the menu on the left side of the screen.
2. Next, click **Articles Library Demo Site** from the "Select Product" drop-down menu.
3. From the "Select Subject" drop-down menu, choose the subject you're interested in.
4. Select an article from the list displayed by clicking either the RTF or HTML links to the right of the title.
Please note that the selections are limited for this demo site.

To review all article titles available:

1. Select **complete articles library list** from the menu.
2. Click on the **[+]** symbols to display the complete list of articles within a subject.
